

Privacy Policy

- **Introduction**
- **This privacy policy (hereinafter referred to as "Privacy Policy") explains how information about you is collected, used, and disclosed by the Discord multipurpose bot (hereinafter referred to as "Bot"). By using the Bot, you consent to the collection, use, and disclosure of your information as described in this Privacy Policy.**
- **Information Collection and Use**
- **The Bot collects and uses information from users in several ways, including:**
- **Information you provide: The Bot may collect information that you provide when you interact with the Bot, such as your Discord username and user ID, your IP address, and any other information you choose to provide.**
- **Log data: The Bot may collect log data, which is information that is automatically collected by the Bot's server when you interact with the Bot. This log data may include your IP address, device information, browser type, and information about your use of the Bot.**
- **Cookie data: The Bot may use cookies and similar technologies to collect information about your use of the Bot. Cookies are small text files that are placed on your device by a website.**
- **The Bot may use the information it collects for various purposes, including:**
- **Providing and improving the Bot: The Bot may use the information it collects to provide and improve the Bot and its features.**

- **Communicating with users:** The Bot may use the information it collects to communicate with users, such as to respond to user inquiries or to send users information about the Bot or updates to the Bot.
- **Information Sharing and Disclosure**
- **The Bot may share or disclose your information in certain circumstances, including:**
- **With your consent:** The Bot may share or disclose your information with your consent.
- **To comply with laws:** The Bot may share or disclose your information if required to do so by law or in response to a valid request by a government or law enforcement authority.
- **To protect rights:** The Bot may share or disclose your information if it believes it is necessary to do so in order to protect the rights, property, or safety of the Bot, its users, or the public.
- **Data Retention**
- **The Bot may retain your information for as long as needed to provide the Bot and its features and to comply with legal obligations, resolve disputes, and enforce agreements.**
- **Data Security**
- **The Bot takes reasonable measures to protect the security of your information. However, please be aware that no method of transmission over the internet, or method of electronic storage, is 100% secure. While the Bot strives to protect your information, it cannot ensure or warrant the security of any information you transmit to the Bot.**

- **Data Access and Control**
- **You have certain rights regarding your information, including the right to access, correct, or delete your information. You can contact the Bot's developer for access to, or to request that the developer delete, your information.**
- **Children's Privacy**
- **The Bot is not intended for children under the age of 13. The Bot does not knowingly collect personal information from children under the age of 13. If the Bot becomes aware that it has collected personal information from a child under the age of 13, the Bot will take steps to delete such information.**
- **Changes to this Policy**
- **This Privacy Policy may be updated from time to time, and the Bot will notify you of any material changes to the Privacy Policy. Your continued use of the Bot after any changes to this Privacy Policy will constitute your acceptance of such changes.**
- **Contact Information**
- **If you have any questions or concerns about the Bot's privacy practices, please contact the Bot's developer**
